The notation of *Sept 26, 1870*, is canceled.

It has been determined that the action of the *Comd'g*

purporting to *dishonorably discharge* this
man, to date *May 1, 1864*

Dear Sir your
note accompanying the Order for
me to resign my Regt - came to hand
to day. I asked to be relieved a week
ago. that I might visit Mother and resign
but was refused, by Genl Bayle. I would
be glad to go to morrow, but just at
this time my wife is suffering one of her
old spells. I have this day, however
tendered my resignation and mailed
it to Col. Wolford, as my sense of duty
to my wife compels me to take this
alternative, notwithstanding, how reluctantly
our Physician (Prof Miller) is of the opinion
that she cannot recover in a less period
than six months if ever. Hoping you
will manage to have it accepted I
remain under lasting obligations for
the favours you have done me

Sincerely
Very Truly

Comdg 1st Reg. Ky Cav.

Sir,

I hereby tender my resignation
as 2^d Major in the 1st Regiment of
Kentucky Cavalry to take effect as
soon as accepted; for the following
reason:

My wife and two little children
are from home among strangers by
reason of the invasion of the
County of my residence (Clinton)
and almost continual occupancy of
said county by Rebels. And I
have just received a letter from my
wife stating that my little girl was
^{low}very, and perhaps would not live
and by General Order No 60 from
the War Department & Captant
Generals office; it is almost impossi-
ble to obtain a leave of absence.
I thereby deem it a duty I owe to
family to go to them at once.

give them my immediate care and
protection.

I have the honor to
remain your humble and
obedient servant.

Sir,

I ask for a leave of absence for
about ten or fifteen days under
the following circumstances:

- 1st I am bail for one John Brown
a private in our regiment for his
appearance in the Clinton Circuit Court
the 1st Monday in June. ~~the~~ which Court
he is indicted. I would be glad to have
a furlough for him also -
- 2nd I am sued in said Court on a note
for land; and the title is defective
and I wish to defend; having refused
to pay the note on account of title.
- 3^d My health is such that I do not
think I will be able to take the
field for several days -

I have been with my
regiment I suppose as ^{much as} any officer in it
never having asked for leave of absence
but once before, for ten days, in a service
of ten months.

NOTATION.

Book mark: 3547-A-1879

Record and Pension Office, Div.

WAR DEPARTMENT,

Washington, Oct. 22, 1889.

This man deserted on or about August
28, 1863, and returned
on or about February 29, 1864.

As he was subsequently restored to duty by order
of Genl Sturgis Feb. 29, 1864
without trial, but upon conditions which appear to have

been complied with (so far as not waived by the Gov-
ernment), the charge of desertion no longer stands
against him. The record of the fact that he was absent
in desertion from on or about Aug 28,

1863, to on or about February 29, 1864,
cannot, however, be expunged.

Notations of March 25,
1879 and Aug. 11, 1886 are
canceled.

Extract from G. O. No. 14, of 1862, dated February 14,

II. The Secretary of War directs that the rations of prisoners held in the rebel States shall be commuted for and during the period of their imprisonment, the commutation to be rated at cost price.

General Orders No. 37, of 1865, dated March 15, 1865.

Twenty-five cents are hereby fixed as the uniform rate at which commutation shall be paid for rations to paroled or exchanged prisoners of war, for the time they were in confinement, at whatever place the account may be presented for payment.

Adjutant General's Office

ARTICLE 4 OF WAR.

ART. 38. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preference or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 38th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the Adjutant General with an inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and any money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 1864." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the commanding and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 1864."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, the copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

Nov 1st 1807
Gen Wm O. Claiborne.

Dear Sir

I was arrested
yesterday by Col Price - with
an order to prevent my sister
remain at this house until I
am today. I asked him what were
the charges he replied I would
learn soon enough -
Gen I have a good a pain over 3 years
- never arrested before - it
it is painful. When my men were
put in prison I could not refrain
from shedding tears & I may say
more than was right if it was
not intended to break my heart -

But from what I learned from
Capt Butler the morning the inspection
is that I was instrumental in making
I am from that I did my best to get
the men keep their arms until I could
turn them to Col Adams.

Col Adams certainly will not
think that I had instigated the
military for the sake I could send

my 1st Lt with the men if
I chose to do so -

But I would be glad to know
the Charges against me as soon
as convenient -

Please grant me the liberty
of walking ~~around~~ ~~the~~

So I remain Sir
Yours obt servant

Sir:

I have the honor to acknowledge the receipt of your letter of the 17th day of March, 1874, requesting a "Statement of Service" of Thomas Chance. The following information has been obtained from the files of this Office, and is respectfully furnished in reply to your inquiry:

It appears from the Roll in file in this Office, that James V. Chance was enrolled on the 27th day of Sept., 1861, at Camp Robinson, in Co. "C", 1st Regiment of Ky. Cav. Volunteers, to serve 3 years, or during the war, and mustered into service as a Pvt. on the 19th day of Oct., 1861, at Camp Robinson, in Co. "C", 1st Regiment of Ky. Cav. Volunteers, to serve 3 years, or during the war. On the Muster Roll of Co. "C" of that Regiment for the months of Sept. & Oct., 1861, he is reported "Wounded in action at Phila. Penn. Oct. 20/61". Subsequent muster rolls report him, "Pri. of War". Co. M. D. roll, "Capt. Pri. of War - Captured at Phila. Penn. Oct. 20/61". The name of Thomas Chance is not found. This man died at Andersonville Ga. Aug. 4/64 while a Pri. of War.

Pri. of War Records show him admitted to Hospital Andersonville Ga. July 26/64 and died there Aug 5/64 of typhoid - This report is accepted as the correct date of his death. Captive not given.

J. M. S.
